

Welcome to Degerby with your camper!

Ahead of the summer of 2021, we have continued the development of our pitches for campers in the center of Degerby, for an even more pleasant stay!

In Degerby you will find most things. Grocery, fuel, library, restaurants, minigolf, museums, flea markets, bathing area and much more. At Föglö you will also find two of Åland's most beautiful hiking treks and a disc-golf course with fantastic views.

More information on what you can see and do at Föglö at our website foglo.ax
